RAMEN

the college way

By far the easiest way to make ramen. There's no doubt you won't want to make ramen like this whenever you're in a time crunch. And no one is in more time crunches than a hardworking college student. Learn how to make ramen **THE COLLEGE WAY**.

- 1 Unwrap ramen and place into a bowl.
- 2 Fill bowl up with water just above the ramen.
- 3 Place bowl into microwave and heat for 1.5 minutes
- 4 Stir and repeat for another 1.5 minutes
- Ramen is done once water starts to bubble (adjust time accordingly)
- 5 Take out of microwave and stir in any seasonings desired.
- 6 Let it sit for a few minutes then enjoy!
